BPL RECEIVES PHILLIPS 66 GRANT FOR RENOVATION PROJECT

The Bartlesville Public Library recently received a grant from Phillips 66 for new furniture pieces in the Youth Services Department. Two reading houses with an adjoining bookshelf were recently installed near the windows on the east side. The reading houses can accommodate 2 to 3 kids at a time. The purchase is part of the total building renovations that began approximately 3 years ago. According to Library Director Shellie McGill, "When the Library was built 26 years ago, more emphasis was placed on the architecture of the building rather than creating a environment for kids. The Youth Services Department has the same color scheme, same shelving, and same furniture type as the rest of the Library. Part of our renovation plan is to create welcoming spaces so both children and teens will want to visit and hang out."

Additional renovations for the Youth Services Department will begin in early 2019. They include rearranging all the shelving to maximize space, creating reading nooks, and expanding the Teen Area. The new spaces will provide a stimulating environment for learning.

"We are grateful to Phillips 66 for the grant that made this Youth Services Project possible," stated Ms. McGill. "They have been supportive of the Library for many years and we appreciate their help in creating a fun, comfortable atmosphere for Bartlesville's young resi-

16TH ANNUAL WHITE ROSE CEMETERY LUMINARY SERVICE

The 16th Annual White Rose Luminary Service will take place at 6 p.m. on Saturday, Nov. 17 at the White Rose Mausoleum. The purpose of the Luminary Service is to honor and remember those we have lost.

Luminaries, which consist of a small paper sack weighted down with sand and illuminated from within by an LED light, are placed around the halls of the White Rose Mausoleum. Each luminary has a card attached with the loved ones name and by whom they are being honored. After a service including a speaker, music, and reading of the names of those being remembered, guests are invited to take their luminary and place it on the grave of their loved one.

Loved ones do not have to be buried at White Rose Cemetery to have a luminary created in their memory.

Luminaries may be purchased for \$5 each. Checks may be brought to the Bartlesville Public Library, Local and Family History Department, or sent to the Bartlesville Public Library, Attn: Kim Inman, 600 S. Johnstone, Bartlesville, OK 74003. Please include the name of the person or person(s) being remembered and by whom they are being honored. For more information, call 918-338-4070 or email whiterose@cityofbartlesville.org.
