### Meet Soriel!

Soriel is from the Dominican Republic! She has been in the United States for seven years. Soriel came to America to join her father, but she also came for America's opportunities, for her family, and her daughter.

Soriel likes all of the opportunities in America, especially for education, health, and family. Soriel misses her mom and the food in the Dominican Republic.

Soriel's goals at BPLLS are to learn English and get a better job. Additionally, as of 2023, she is working toward her citizenship and hopes to bring her mom to America. Soriel loves taking classes at BPLLS because everyone here is nice and her teachers explain things very well. Other programs that Soriel attended before BPLLS didn't work out for her because the civics lessons didn't make sense; at BPLLS, the lessons are clearer, and Soriel is making greater progress toward her goals.

### Meet Jadwiga!

Jadwiga is from Poland! She has lived in the United States for six years. She came to America to live with her family and to take care of her two granddaughters.

Jadwiga likes everything about America, but she especially loves visiting America's cities, mountains, and national parks. She misses the rest of her family, friends, and her job as a nurse in Poland.

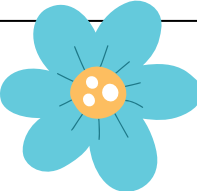

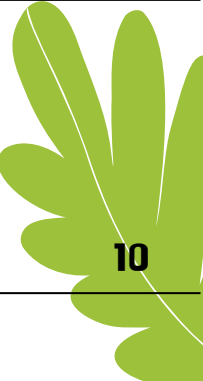

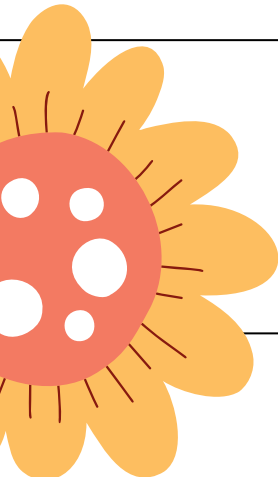

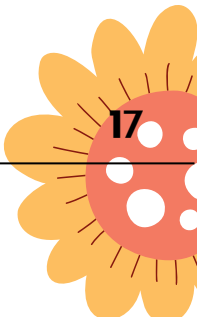

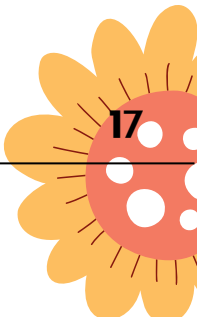

Jadwiga's goal at BPLLS is to learn English so she can improve her communication skills. Jadwiga loves learning English at BPLLS, where she enjoys making new friends and working with the teachers. Jadwiga loves Bartlesville!
